Vertex Portable UV disinfection lamp

Ref. 23670

DETAILED DESCRIPTION

The Vertex portable disinfection lamp allows disinfection of multiple surfaces with which we are in regular contact: reusable masks, table, desk, door handles, keyboard ...

For all surfaces of rooms (kitchen, bathroom, office, meeting room ...).

Quick and easy to use: just run the lamp over the surfaces to be disinfected to ensure perfect hygiene.

Enable to eliminate germs (virus fungi, bacteria...) up to 99% and thus limit spread of virus thanks to UV-C technology.

A real time saving. No smells of household products. No chemical pollution.

Equipped with LCD screen to display the timer to choose among 6 options:

- 10 and 30 sec.
- 1/ 2/ 5 and 30 minutes.

User safety and security function:

- Automatic stop as soon as the timer is finished.
- Automatic shutdown if the lamp is directed towards the user.

Power UV lamps: 4.5W.

UV wavelength: 254 nm.

Power supply: 4 AA LR06 batteries (not supplied).
