Intelligent, networked Smart Home & Smart Building solutions

Traditional light sources

LEDVANCE is licensee of product trademark OSRAM for lamps products in general lighting.

ENDURA PLUS DAMPPROOF HOUSING

The ENDURA PLUS Dampproof Housing is an IP65 and IK08 empty housing family designed to work with IEC 62776 compliant LED T8 tubes with AC input on one end. Its built-in fuse design offers additional protection when inserting traditional T8 florescent tubes by mistake. The family is with a metal tray in the housing, available in 3 lengths with 1 & 2 lamps versions to fulfill different applications requirements. It is an upgrade design with bigger size and reliable safety which is IEC60598 certificated.

Product Benefits:

- Whole product family with metal tray in the housing
- 2ft, 4ft and 5ft
- Bigger size design for easy installation
- Available in 1 lamp & 2 lamps versions
- UV stabilized, impact resistant polycarbonate diffuser and body
- Stainless-steel clips (S/S 304)
- Fused design to offer protection when inserting traditional T8 florescent tubes by mistake
- Designed to work with IEC 62776 compliant LED T8 with AC input on one end
- IP65
- IK08
